# CAMBRIDGE G.C.E. A LEVEL PROGRAMME

Orbix International School is devoted to providing students with an education that pairs global perspectives with deep local roots by giving them the opportunity to study abroad through A Level. The Cambridge A Level Programme is highly recognised by many universities and employers worldwide. This curriculum prepares students for university and work through the skills for success gained throughout the programme.

Students are given the opportunity to choose the combinations that best suit their capabilities, interests and passions to enable them to excel in the areas of specialisation when in university and in the workplace. If you are ready for a challenge that sharpens your critical thinking skills while preparing yourself for university, this is definitely for you!

We provide a direct pathway for our students to a higher education, dedicated to excellence in training our staff, teaching our students and preparing them for the world.
